DEDICATION

We're born alone, but
from that day on, we begin
to grow . . . physically and socially,
each day expanding the number of play-
mates we meet.

We continue to grow as we start school.
In school, we are once again introduced to
world of friends. Friends are like the warm
sun after the cold rain. Some of the friends
we meet may move out of one's life, while others
move in. The friends that have moved away will
never be forgotten.

With these thoughts in mind, I hereby dedi-
cate this 1972-73 Edition of the Ursa Mair to the
friends we have met yesterday, the friends
we will meet today, as well as the friends
we will meet tomorrow.

Mark Chase

Co-editor in chief

DEDICATION

We spend the entirety of our youth in education. As we spend four years of our short lives in high school we ask ourselves what have we gained from it. Education is more than just books, filmstrips, and homework. Education is the study of life. . . . and life is made up of people. So the more we know of people; the more we know of life. With this in mind we meet more people and become good friends, and sometimes fall in love with a very special person. As we leave high school, we start our cycle of meeting friends over again with new people and old friends, and most important we grow with our friends. . . . and in life. So with this in mind I dedicate the 1972-73 edition of the "URSA MAIOR" to our "growing friends" . . . that we may both grow in life.

Dave Sharkey
Co-editor in chief

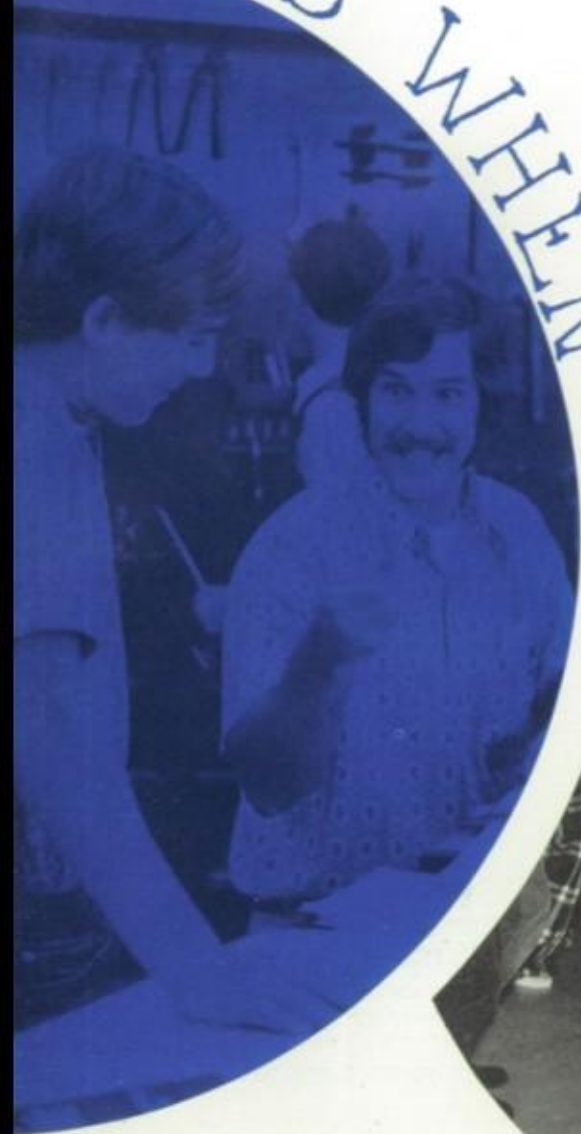

THERE ARE TIMES WHEN I DON'T KNOW WHERE I'M GOING,

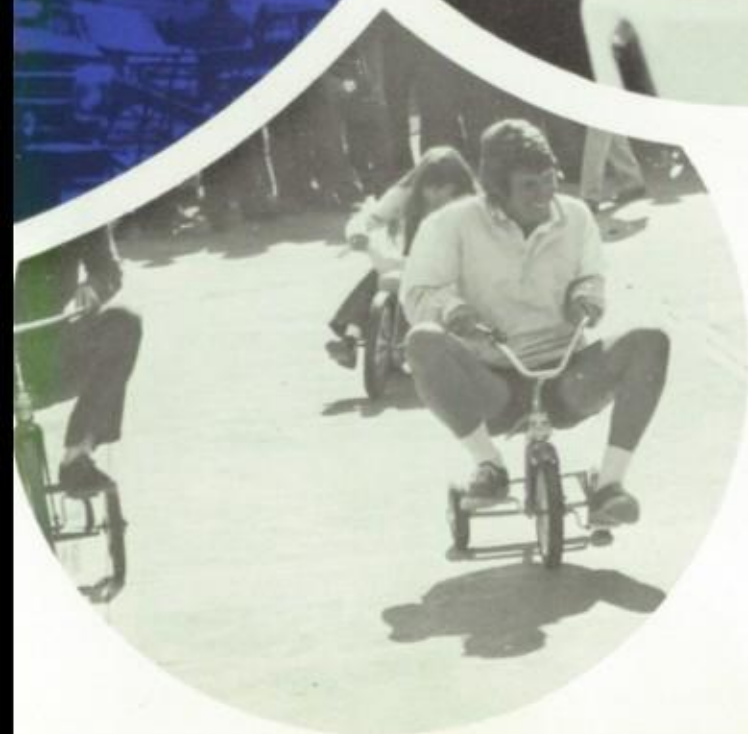

TIMES WHEN I DON'T KNOW WHERE I'M AT;

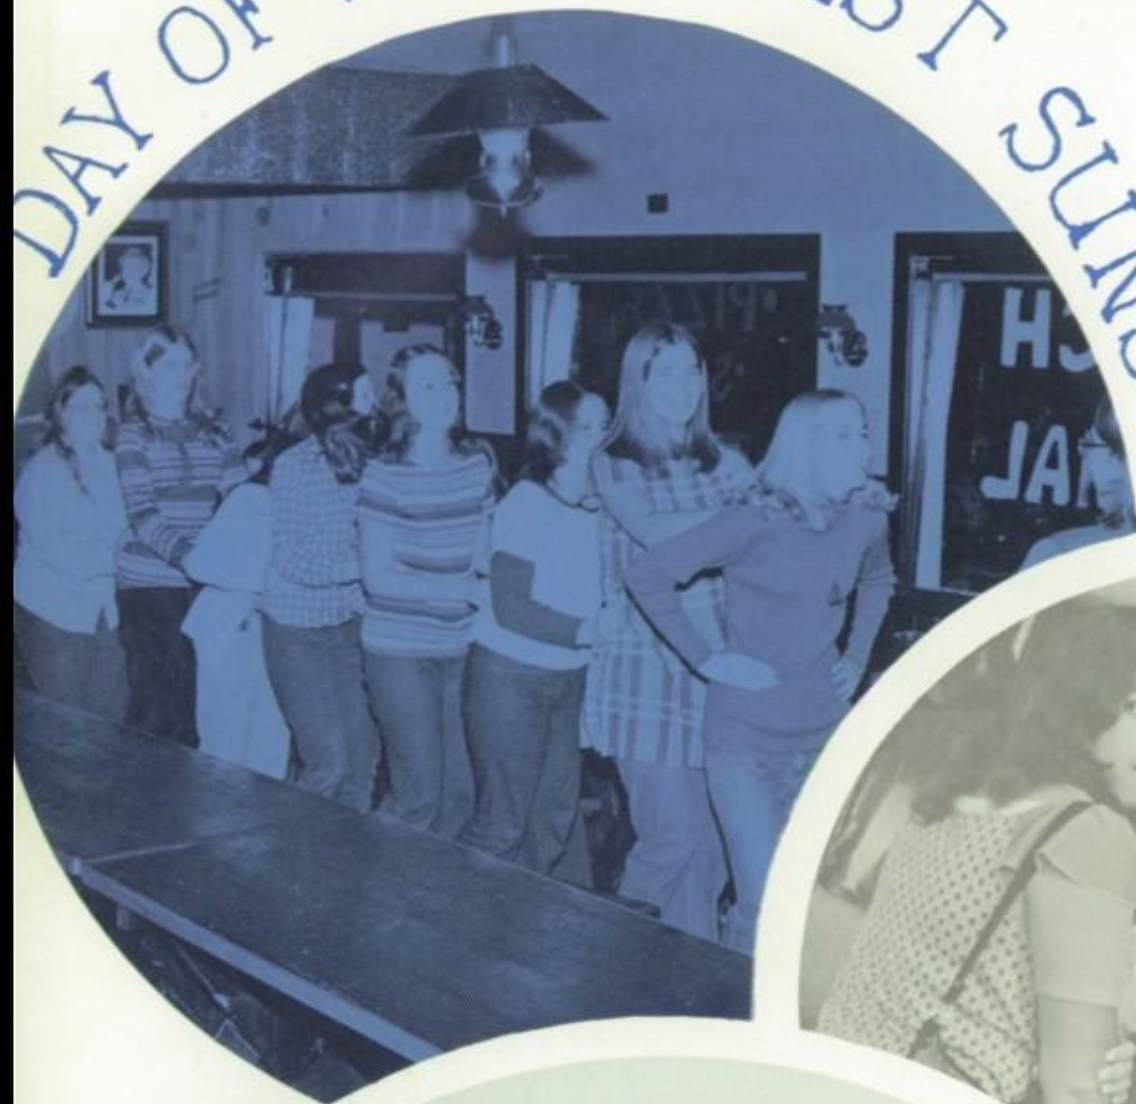

TIMES WHEN THE WORLD'S NOT ROUND

AT ALL, BUT FLAT..... TIMES WHEN A

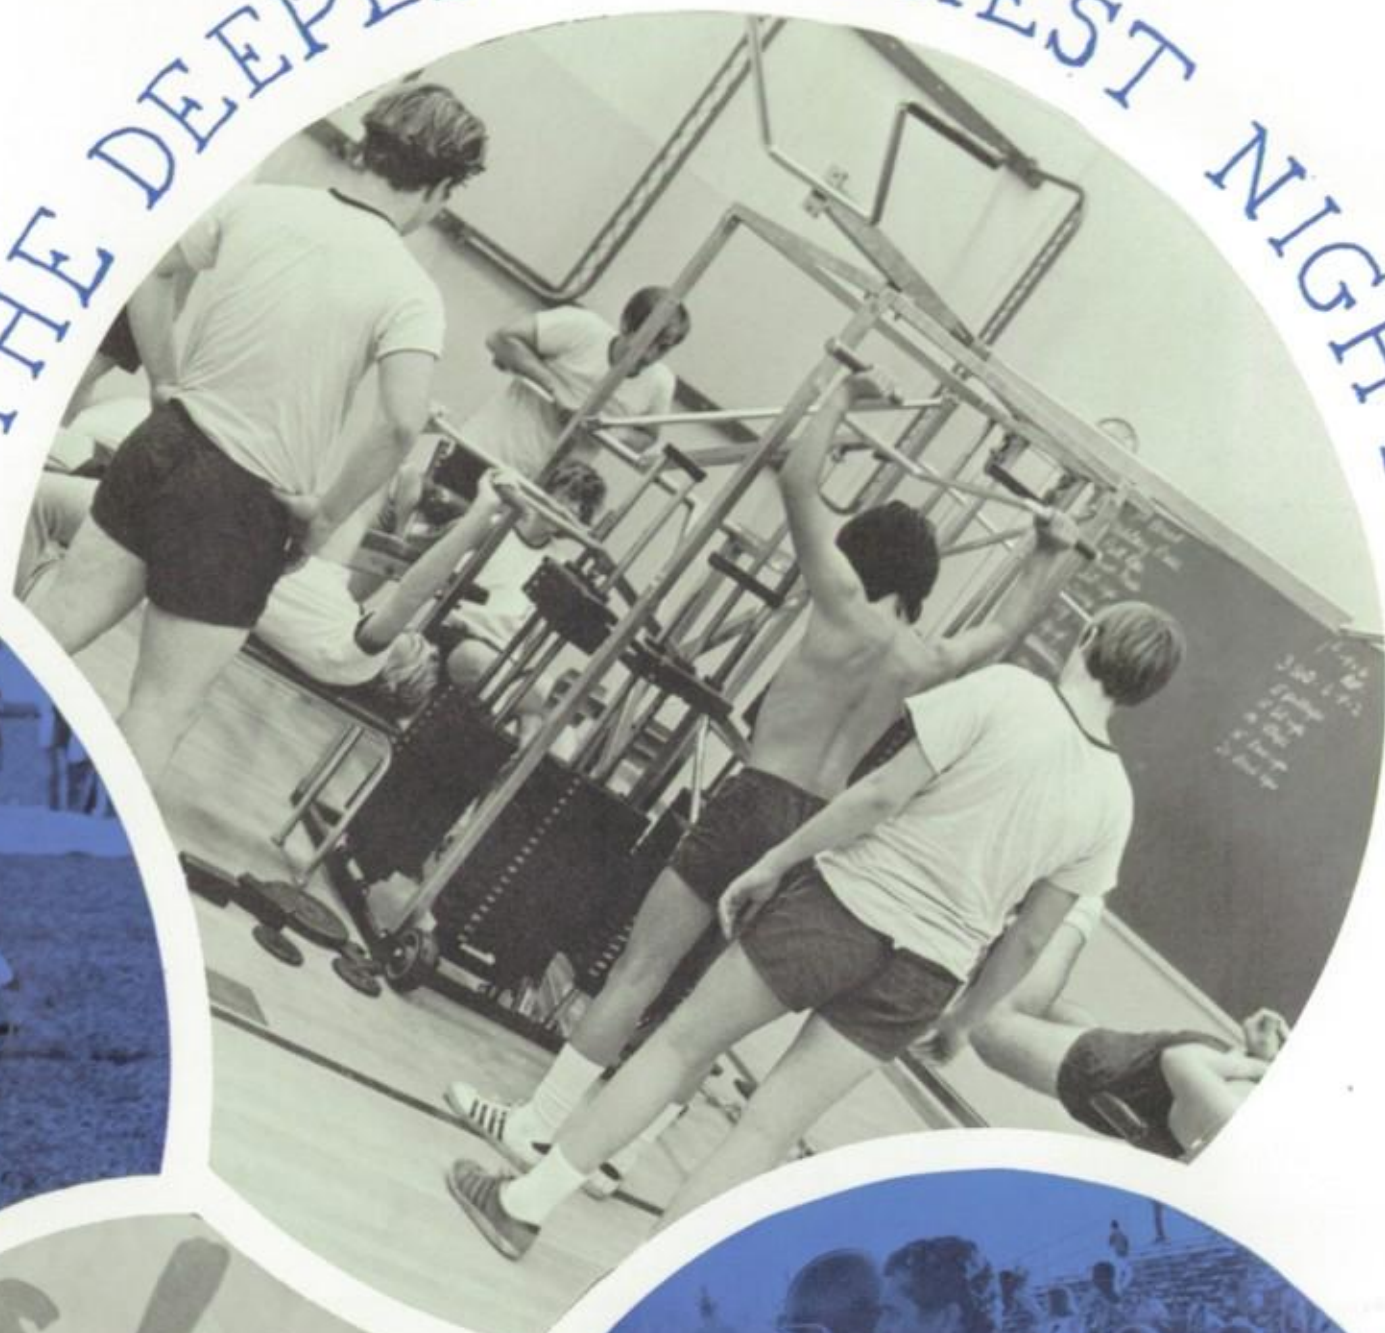

DAY OF BRIGHTEST SUNSHINE SEEMS

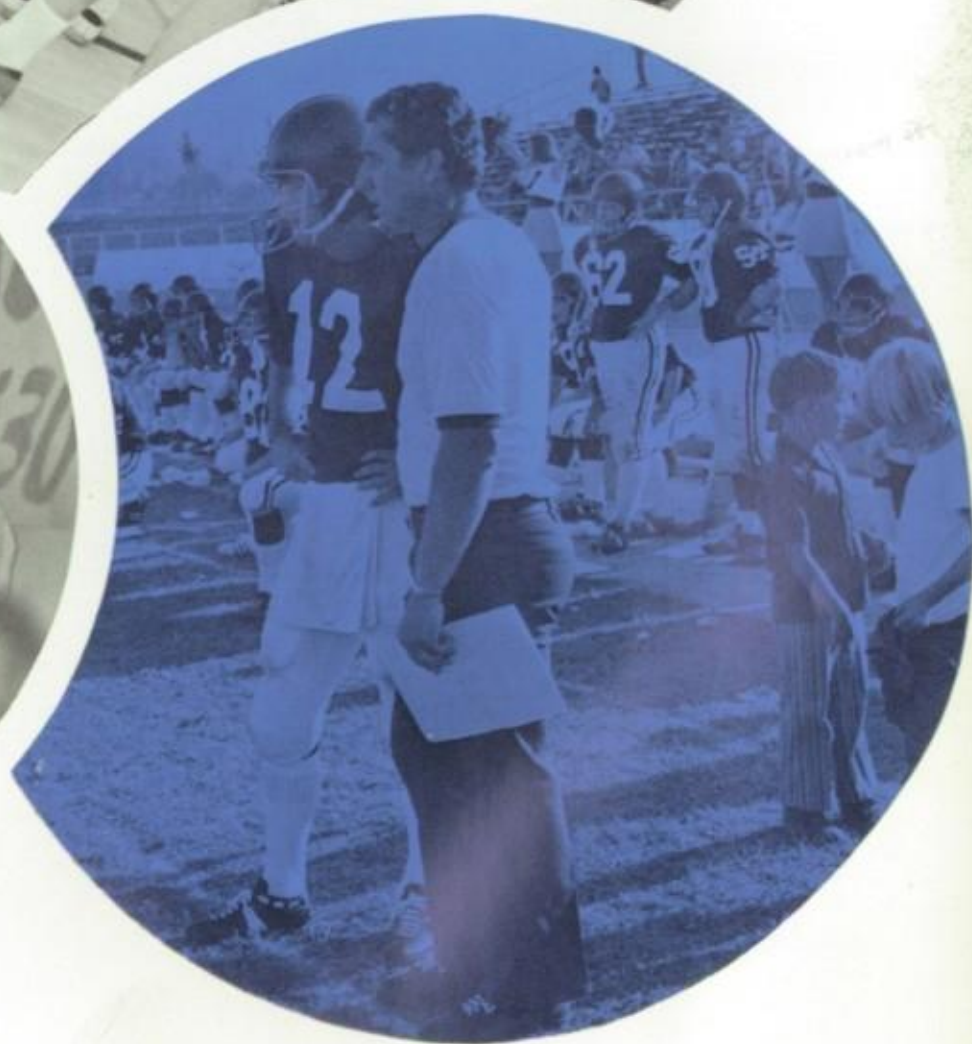

UNTIL I TURN

LIKE THE DEEPEST DARKEST NIGHT....

TO A FRIEND....

PEOPLE SENIORS

HAPPENINGS SPORTS

Far out! Only 242 days left of school! ... Now that I think of it, a rock isn't all that bad ... RAH! ... Connie Lazaneo made homecoming queen?! ... "Only the Beginning" ... Pssst! What is another standing committee of Congress ... NO SENIOR PRANK!!! ... When did we finally decide the senior ball would be held ... Of course we won Spirit Semester, what else did you expect? ... Now where in the world, did that 73 come from ... "Good Morning Rhoda, Up and dressed and ready for the day?" ... "the Bad Seed" ... Our illustrious lieutenant governor, Mike who? ... You would have thought for \$1.35 we would have got Breakfast ... Admissions deadline was yesterday?! ... I'm spending the next 18 months in Santa Cruz ... What draft? ... Disneyland, why not Winterland? ... Marriage, Me?! Help! ... See you in 5 years!

This year our senior class was presented one, beautiful, four-foot hunk of shiny trophy. Did we really deserve this trophy? You bet we did! We have a great deal to be proud of. This year's spirit competition was a bit different than previous ones. Our "Spirit Semester" activities, lasting an entire 8 weeks, called for more creativity — and that is what we gave.

What did we do? Not many will forget when the "Senior Class Marching Band" paraded through school — during class hours. We seniors will surely remember our Friday morning Senior Breakfast, or how about Teacher Impersonation Day! And absolutely no one would have believed that the majority of high school seniors would have dressed up for Halloween Day!

Well, thanks to each individual's enthusiasm, the Senior Class of 1973 made it all happen.

Senior Breakfast

One of Spirit Semester's highlights for the Senior Class was a Senior Breakfast. The breakfast was held at Sambo's Pancake house on Winchester Blvd. On the whole, a large number of the class got up in time to enjoy a fantastic morning. The whole event is just one example of the traditional stockpile of spirit for which the class of '73 is famous. Not only did we enjoy the event, but we even made it back in time for school.

Remember when?

We stood in line to get our programs.

Smiling pretty at the Sadie.

Seeing old friend after the ole summer.

Being asked by that certain chick to the sadie.

Seeing if our friends had any of our classes.

Showing the class of '73 spirit at the football games.

Our night game with Los Gatos.

Our lovable mascot—Bru.

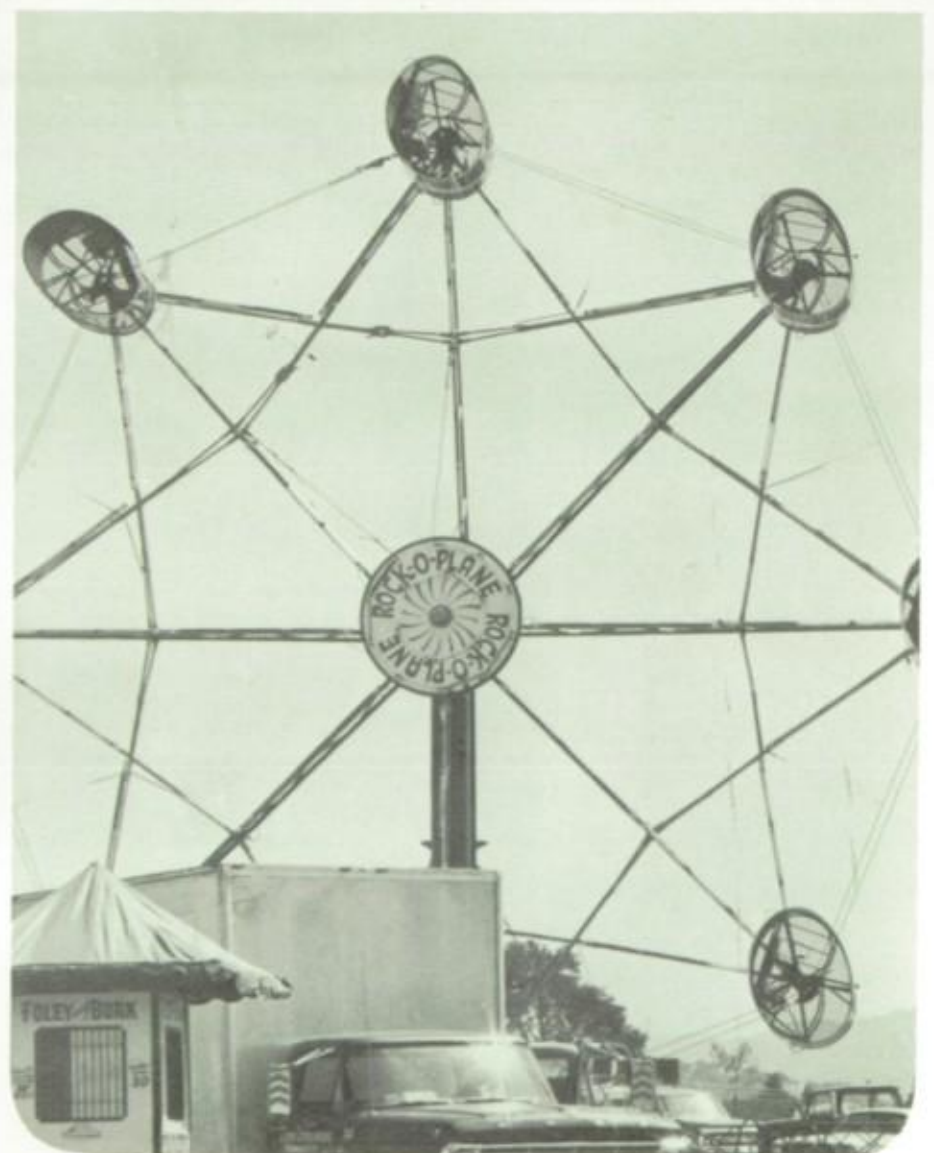

Spirit Week!

Building all our furniture in woodshop.

The songgirls!

The first school Carnival.

Studying hard for music class.

Watching the flag girls during half time.

We played tennis.

Branham's 1972-1973 Soccer team.

Our basketball team dribbling to victory.

Sitting in the sun enjoying independant study center.

"We're only just beginning..."

The Senior Ball was held at the Palo Alto Country Club. The After-Ball took place at Futurama Bowl. Great music was provided by the "Chosen Few."

Many old friendships as well as new ones accompanied the class of 73 on one of their last activities together.

SENIOR OF THE YEAR

LESLIE GRANT

We the Yearbook Staff hope to start a tradition by selecting a senior who we feel has contributed outstandingly to the Senior class Branham High School, and most important — to themself.

It is our hope that this is not another popularity contest, but an honor that has meaning to the senior as well as the student body.

This recognition is based upon School Activities, Academic Achievement and most important of all — The person themself.

Hopefully this tradition will carry on in the years to come.

This first year we have selected Leslie Grant. Leslie has contributed greatly to many activities at Branham High School. She has been quite active in girls sports, student council, S.A.F.E., and C.S.F. She also was selected as first editor of Labyrinth and was instrumental in getting the student and faculty publication off of the ground — above all of these academic and activity achievements, we selected Leslie because of the person she is. We of the 1972-73 Ursa Maior Staff wish to congratulate Leslie and wish her all of the success life can bring in the years to come.

Junior Class Pizza Party

"One small step for man, one giant leap for the junior class-" this famous quote seemed to hold true for the class of 74 as they broke all records in the Campbell Union High School district with their junior class magazine sale.

It was the first time we worked together as a class we posted a record \$4,200 in sales. It is rewarding to us all that we were so successful. Congratulations class of 74. Let's not stop here-next year will bring bigger and better things-the spirit of 74 is growing all of the time.

1973—A time for friendship

Freshmen

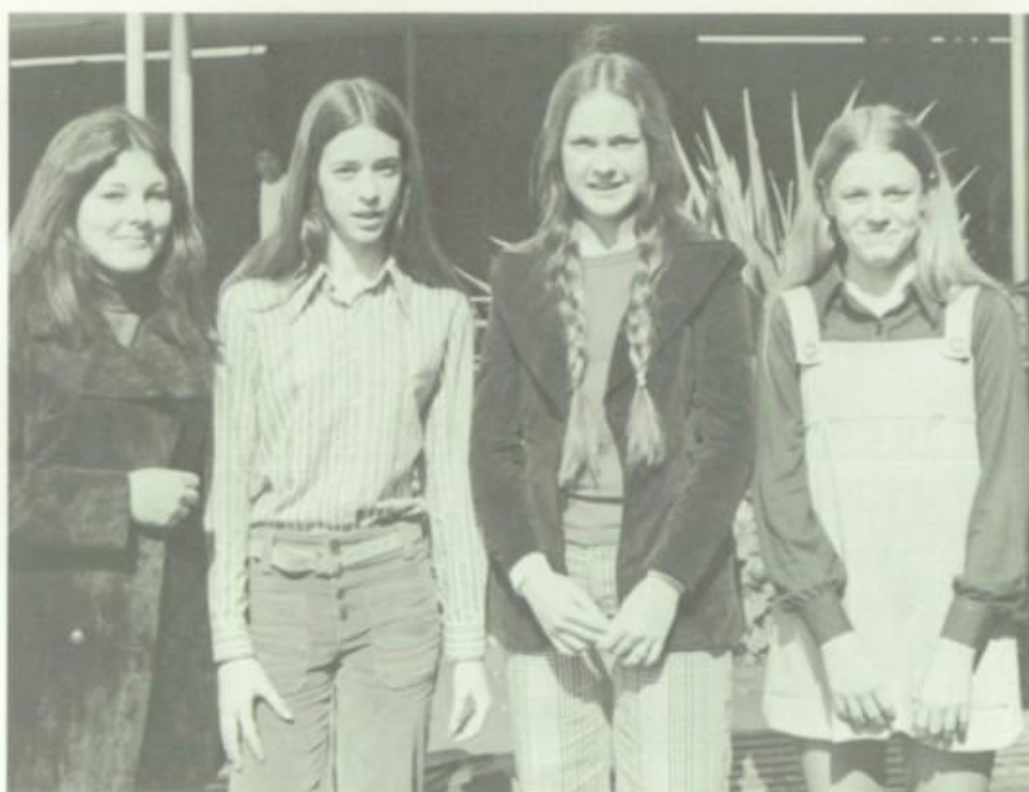

In our first year at Branham, we accomplished many things. We started the year out with a pizza party and a bus to the Los Gatos night game. Another activity was a bike ride to the big game with Leigh. We also had a Rec night which was alot of fun.

We are planning another Rec Night. We also plan on opening a booth at the flea market to make money for our growing treasury. With no definate plans for the freshman party, we hope to finish our first year and begin a new one next fall.

Sophomores

We came back not just as another class but as something better something real. People came together as one together in spirit as well as our first place frosh-soph football team. We have something that no other class has, a care and want for life. We want to be known for what we are... The class of '75.

Juniors

We came back totally lost, lost because the school was renumbered ect. The junior class started the year great by having a fantastic magazine sale that set all kinds of records.

Our junior prom is scheduled for May. It will be held at Zorbas. Music will be provided by Mosaic

We'd like to thank Mr. Bowen and Mr. Houston for making our junior year something that we will remember for years and years.

Labyrinth - for creative Souls of Branham, by creating Souls of Branham, Labyrinth consists of poetry, short stories and art work by students and faculty. Under the direction of our novice advisor, Mrs. Paula Jouthes we tried to create the best literary magazine Branham High School has ever seen. The majority of the staff was enrolled in the creative writing class, but most of the work came from students from all areas of the school. Many hassles were encountered in the production of the magazine but somehow we managed to get it all finished, hopefully it represents the entire campus and will be the start of a tradition that will grow with the years.

C and D Division Basketball

A fine C team effort led Branham to a second place finish in league play. Three very close games kept this team from claiming a part of the crown. All games were characterized by a tough defense and lots of hustle. Several members of the squad will be back to form the nucleus of next years team. At the conclusion of the season, Dan Rivas was voted "most valuable player" by his teammates.

1972-73 Season

The season was one of mixed success and disappointment. Certain individuals performed much beyond their ability. Conrad Suhr, Gary DeWolf and Scott Zadel deserve special attention.

The members of each team participated in a sport that requires tremendous mental as well as physical strength. The sophomore teams finished highest of all teams. They finished third.

1972 Varsity Season

I would like to congratulate this year's football team on finishing a very successful third place in a most difficult Ten-Team league. Their six-win, three-loss League record continues to build our winning tradition and establish Branham as a Football Power in the W.V.A.L. League.

I personally would like to thank every member of this football team for their loyalty, dedication and self discipline which were the major qualities that lead to our winning season.

I would also like to express my appreciation to the student body of Branham High School for their enthusiastic support of their team.

YOU WERE GREAT!

Frosh-Soph Basketball

This season was marked by a number of high points. These include 2 1st place finish in Branham's frosh-soph tournament and 3rd place finish in Campbell's Frosh-Soph Tourny. The Final League standings left Branham in 3rd place with a very respectable 10-4 record and 17-6 overall record.

The balance and depth were major factors in the team's success. Micky Unti, Mike Martin and Bill Hughes were the main outside threats while Jack Cook, Conrad Suhr, and Earl Williams contributed to the scoring and rebounding inside. All League honors went to Micky Unti, Bill Hughes, Conrad Suhr, and Jack Cook.

The Branham High Soccer team was described as a fast moving, offensive team and we started our season with four straight wins. We then met an opponent with whom we had a great deal of trouble — the weather.

Soccer was meant to be played on a solid, and hopefully dry field — this was not the case and our attack was nullified.

Our season record is respectable but could have, been much better had we been able to utilize our skills. We have only to look toward the future now and hope that we can continue the fine tradition set in the past.

The Branham Varsity Soccer Team completed a slightly better than even league season in spite of numerous injuries and bad weather conditions. The season started by losing a disappointing game to Los Gatos. Blackford bowed to Branham's strength and boosted team morale immeasurably. Saratoga chose to meet Branham later in the season due to bad weather on one of the few sunny days of the season. Leigh and Branham deadlocked. Westmont gave Branham an easy win. Del Mar upset us. Branham then traveled to Campbell for a mudbath and a win; but also incurred injuries that spelled the end to a drive toward the championship. Playing short our center forward with two injured defensive men, and crippled goalie, Branham suffered its worst losses in our league history to Saratoga and Prospect. Bouncing back as only real sportmen can, Branham's team downed Camden by two goals. In spite of four losses in the league season the varsity players can be proud to have completed a better than even season. They can be proud they were not quitters when the going was more than rough. They can take pride in the fact they represented Branham in a spirit of fine sportsmanship.

1972-73 Varsity

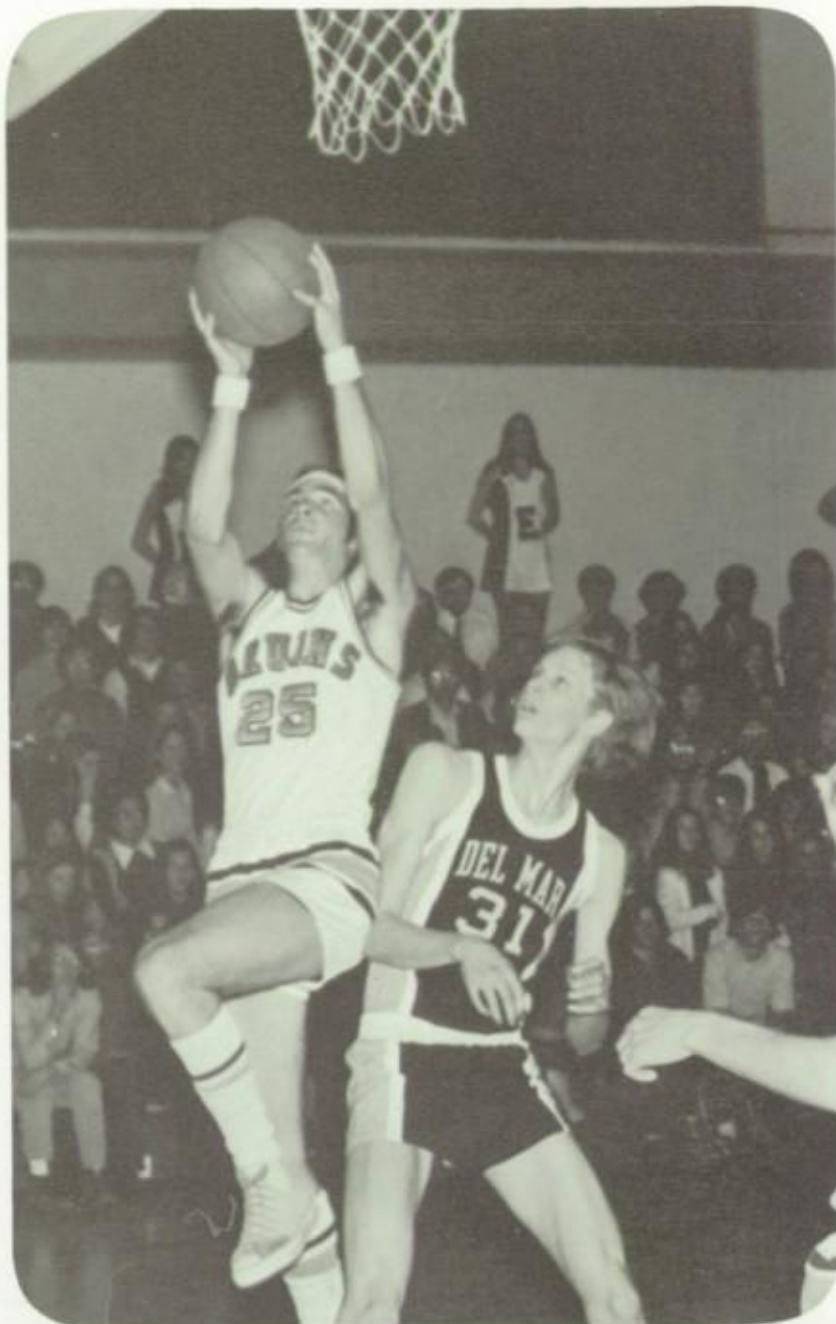

Branhams Bruins came in second place in league play in the WVAL. Going through the season with a record of 17 wins and 8 losses the Bruins started off by winning the consolation trophy in the Westmont tournament. They opened league play with 5 straight wins before losing to Del Mar. Bruce Matlich made first team all league as well as setting a rebounding record of 404 for the Bruins. He was also voted the teams most valuable player. Pat Hughes also set a school record for assists with 148. Hughes, Neil Wehrer and Brian McNiff were also all league selections.
